2010 *Paradigm Series*

Spring Edition, Post-Test

1. T or F A “harm reduction” approach is utilized to assist Amish youth to stop drinking.
2. T or F “To want is defined as to desire, to promise one’s self, set one’s heart on, aspire, and dream of.”
3. T or F One of the most basic ways to increase health and peace within a child is to connect him/her with indoor activities.
4. T or F “Sixty-three percent of all boys, ages eleven to twenty, who commit murder, kill the man who was abusing their mother.”
5. T or F “The primary difference between malingering and factitious disorder is the question of motivation.”
6. T or F A child who develops social-emotional skills has a higher likelihood of having an alcohol or drug problem.
